

## Important Dates for Selection of Rotation Laboratories and Major Professor 2020-2021

**BMS Graduate Students must consult with the BMS Program Director *before* making any final commitments to faculty members.**

Rotations	Deadlines for obtaining Director's approval and notifying BMS office of your rotation selection	Rotation Evaluations Due
Rotation Period I <i>9/2/20 – 10/23/20</i>	<i>Friday, August 28, 2020</i>	Rotation Period I <i>10/30/20</i>
Rotation Period II <i>10/26/20 – 12/18/20</i>	<i>Friday, October 23, 2020</i>	Rotation Period II <i>12/25/20</i>
Rotation Period III <i>1/4/21 – 2/26/21</i>	<i>Friday, December 18, 2020</i>	Rotation Period III <i>3/5/21</i>
Major Professor	<i>Friday, February 26, 2021</i>	Permanent Lab Selection Form & MOU <i>2/26/21</i>

Before turning in each rotation choice, you must check with the faculty member in charge of the designated lab to make sure they are willing to take you.

Verify permanent lab PI has funding to support you. The department will not approve mentors who do not have support for students. Submit all choices to John LaPres or Claire Vieille via e-mail ([lapres@msu.edu](mailto:lapres@msu.edu) or [vielle@msu.edu](mailto:vielle@msu.edu)) with a "cc" to [bmsgrad@msu.edu](mailto:bmsgrad@msu.edu)
