Starting Strong in Graduate School: Stress Management
Tuesday, September 6 – 4 p.m. to 5 p.m.
Audience: Current Graduate Students
Whether you are just beginning in a graduate/professional degree program or are trying to enter this year with a fresh perspective, come to this session and discuss concrete ways to have a strong start.
Register here.

CES Write-In
Friday, September 9 – 9 a.m. to 12 p.m.
Audience: Current Graduate Students
Please join us on the first Friday of each month for three hours of dedicated time to advance your scholarship. We start the write-in by sharing writing goals for the day and wrap up with accomplishments and next steps. Both in-person and virtual write-in options are available 2022-2023. Write-Ins are free, but registration is required.
Register here.

Graduate Research Fellowship Program (GRFP) Workshop Series - Workshop 1
Monday, September 12 – 6 p.m. to 7:30 p.m.
Audience: Current Graduate Students
The MSU AGEP Program is conducting a workshop series that will present NSF GRFP program information and provide structured practice to create competitive GRFP application. In the MSU workshop, STEM undergraduate and graduate students will participate in a 5-part series that will include an overview of the GRFP and application process, first-hand advice from GRFP reviewers and recent awardees, and two interactive sessions to review and revise their application documents.

Scholarships/Fellowships:

Fellowship Opportunities

The Graduate School has several fellowships with applications open. To view more fellowship options please visit: [https://grad.msu.edu/msu-graduate-school-fellowships](https://grad.msu.edu/msu-graduate-school-fellowships)

**Inspire Fellowship**
- Supports postdocs who identify as members of underrepresented racial or ethnic groups as they finish preparing to be independent research leaders in academia or industry.
- Provides $50,000 per year toward the Inspire Fellow’s salary, which starts at $57,200. Support is renewable for up to two additional years (so three years total).
- Inspire Fellows form a cohort that meets for monthly professional development events.
- Eligibility: Applicants must be within 12 months of completing a Ph.D., M.D. or other appropriate terminal degree. Applicants must be U.S. citizens or permanent residents who identify as members of an underrepresented racial or ethnic group as defined by NIH.
- Application opens on Aug. 1 and closes on Oct. 31.

*More information and the application can be found [here](#).*

**Neogen Land Grant Prize**

*Current Graduate Students*

**Deadline: September 15, 2022**

This program seeks to advance the work of a student whose research has the potential to contribute to economic and scientific improvements in society, with a promise of practical applications that benefit U.S. economic interests. One (1) prize in the amount of thirty thousand dollars ($30,000) will be awarded annually. The use of funds will be restricted to direct costs of research excluding salary or stipends.
