

**“Road Fellowship” Application
MSU East Lansing - Grand Rapids**

The purpose of the Road Fellowship is to defray costs for MSU graduate students associated with frequent commuting between East Lansing and Grand Rapids. This commuting may be necessary for MSU course work, teaching, clinical service, or MSU laboratory rotations/collaborations. Minimal eligibility requires 8 total commutes within a semester. The amount of the fellowship is calculated based on length, frequency and need for parking at the GRRC. Please select all that apply:

- I am a MSU graduate student living in the East Lansing area and traveling to Grand Rapids for a prearranged laboratory rotation or collaboration in a CHM MSU laboratory.
- I live in East Lansing and I already pay for student parking on the East Lansing Campus.
- I am a MSU graduate student living and conducting research in Grand Rapids in a CHM MSU laboratory who must travel to East Lansing for required coursework, teaching, clinical service or a collaboration.
- I live in Grand Rapids and I already pay for student parking at the GRRC.
