

## Important Dates for Selection of Rotation Laboratories and Major Professor 2018-2019

**BMS Graduate Students must consult with the BMS Program Director *before* making any final commitments to faculty members.**

Rotations	Deadline for notifying BMS office of your rotation selection	Rotation Evaluations Due
Rotation Period I 8/29/18 – 10/19/18	Friday, August 24, 2018	Rotation Period I 10/23/18
Rotation Period II 10/22/18 – 12/21/18	Friday, October 19, 2018	Rotation Period II 1/17/19
Rotation Period III 1/2/19 – 3/1/19	Friday, December 21, 2018	Rotation Period III 3/8/19
Major Professor	Friday, March 1, 2019	Major Professor 3/1/19

Before turning in each rotation choice, you must check with the faculty member in charge of the designated lab to make sure they are willing to take you.

Verify permanent lab PI has funding to support you. The department will not approve mentors who do not have support for students. Submit all choices to John LaPres or Claire Vieille via e-mail ([lapres@msu.edu](mailto:lapres@msu.edu) or [vieille@msu.edu](mailto:vieille@msu.edu)) with a “cc” to [bmsggrad@msu.edu](mailto:bmsggrad@msu.edu)
