

Important Dates for Selection of Rotation Laboratories and Major Professor 2019-2020

BMS Graduate Students must consult with the BMS Program Director *before* making any final commitments to faculty members.

Rotations	Deadlines for obtaining Director's approval and notifying BMS office of your rotation selection	Rotation Evaluations Due
Rotation Period I 8/28/19 – 10/18/19	Friday, August 23, 2019	Rotation Period I 10/25/19
Rotation Period II 10/21/19 – 12/20/19	Friday, October 18, 2019	Rotation Period II 12/27/19
Rotation Period III 1/2/20 – 2/28/20	Friday, December 20, 2019	Rotation Period III 3/6/20
Major Professor	Friday, February 28, 2020	Permanent Lab Selection Form & MOU 2/28/20

Before turning in each rotation choice, you must check with the faculty member in charge of the designated lab to make sure they are willing to take you.

Verify permanent lab PI has funding to support you. The department will not approve mentors who do not have support for students. Submit all choices to John LaPres or Claire Vieille via e-mail (lapres@msu.edu or vielle@msu.edu) with a "cc" to bmsgrad@msu.edu
